

Specification for CS[®] Connector

September 24th, 2021

This specification document for CS Connector is obsoleted upon the publication of the intermateability specification by Telecommunications Industry Association (TIA), ANSI/TIA-604-19 FOCIS 19 Fiber Optic Connector Intermateability Standard - Type SEN Connector. To avoid the use of a trademarked name, TIA document specifies "SEN." The document is available at HIS Markit Standards Store ([Link](#)).
